Records were shattered, national awards poured in, and banners were hung in 2015, and the 2016 Jayhawks are ready for more.

The unprecedented was met and exceeded in 2015 as Kansas not only earned an NCAA Championship bid for a program-record fourth-straight season, but advanced all the way to the tournament's semifinals for the first time in program history.

Heading into a new season, the excitement and expectations are at an all-time high.

Big 12 coaches voted All-American right-side hitter Kelsie Payne as the 2016 Big 12 Preseason Player of the Year, while coaches across the nation picked Kansas No. 5 in the American Volleyball Coaches Association (AVCA) preseason poll.

While the outside world takes note of the movement in Lawrence, the high expectations inside Horejsi Family Athletics Center remain the same.

The following is a question-and-answer with head coach **Ray Bechard** to preview the 2016 season.

### *On handling elevated expectations for 2016:*

The only expectations that matter are the ones that we put on ourselves. It's great to have a lot of energy around the program and a lot of people excited about what is going on, but every team is going to start 0-0 in August. We are going to have to recreate the best version of this group. That is going to be different than the best version of last year, and the year before. We will be different in some ways. Our ultimate goal is to try and create an opportunity for this team to be

technical base, then it is up to the team to determine how they interact with each other and build competitive chemistry. It would be unfair to expect that if we don't start 19-0, then it is a disappointment because last year's team started 19-0. We are going to build each and every day. Hopefully at the end of the season we will create opportunities for our team to play at the highest level they can."

### On goals for the 2016 season:

"We will have a discussion with our team about our goals this season, like we do every season. But to start, our only goal can be is to work as hard as we can work, are we purposeful in our practice? Are we creating opportunity to get to know each other and build a competitive chemistry within our group. Then and only then, can we begin to talk about team goals. We have to integrate the new members of our team into what we are trying to do. How can we create or build the best version of ourselves this year? That's what our goal will be each and every day that we get together."

### On the nonconference schedule:

"I ran into a couple of coaches from teams we are playing this season, and they all said, 'Wow, our team is really excited to play you guys.' That will be a common theme. Our recent history has created, I'm sure, in other team's minds an opportunity. Our season opener at Mississippi State, I'm sure they will be as excited to play us as they have been in a long time. Which is fine -- that's what we are going to have to get used to. Teams will be motivated to play us and that will make for a very competitive schedule this season."

"The key for us is: are we as excited to play the team across the net, as they are to play us? That's going to be something we stress each day as we prepare to play."

### On the senior class of Maggie Anderson, Tayler Soucie and Cassie Wait:

"It's a great group. We can't help but to feel great about their respective trajectories for, not only this season, but their lives. I just hope all three have a senior year that they can look back on and be really proud of."

"Maggie Anderson has built such a great career here. She does so many good things for our team that people who come to our matches don't see. As coaches, we appreciate the way she communicates with her teammates at a high level. Cassie and Tayler growing up within an hour drive from Lawrence and having such prominent roles over their careers here -- embody the student-athlete and what that experience should look like."

## SETTERS

### RETURNED

Maggie Anderson, Sr.; Ainise Havili, Jr.

### On the outside hitters:

"Last season's redshirt years for Ashley (Smith) and Patricia (Montero) will pay off for them. We would hope both of those newcomers can get in the mix for playing time. Both are versatile and can play either pin. Patricia is more of a six-rotation player. Ashley is more physical and focused on three rotations, but we need to move her into that six-rotation role. Our expectation is that those two, along with returning starters Rigdon and Payne, are four players for three spots that could create some great competition. With freshman Jada Burse, and returning starters Kelsie Payne and Madison Rigdon, we have five players for three spots. Whereas last season we were limited at depth."

"We can move our hitters around with interchangeable parts, so from an attacking standpoint, I really like our versatility there now. Rigdon is the only returner with experience in the back court in that group, because three of them are new and Kelsie didn't play back-row. That will be the challenge as to who can develop into a six-rotation player and handle the primary passing duties that we need outside hitters to take care of."

### On expanding Kelsie Payne's versatility:

"Kelsie is a major talent, so we try to continually challenge her to push the limits of her abilities. She has been very versatile

in how she has attacked and defended in the front row. If we can expand that role to keep her in the rotation for three more rotations across the back we feel like she can score there, but can she defend and do the things we need to do from a defensive standpoint? We will give her that opportunity in the back row."

### On middle blockers:

"Tayler (Soucie) will set the tone for our middle blockers. Kayle (Cheadle) has had some experience early on in her career, and she will get every opportunity, along with (freshman) Zoe (Hill), to start. From those three we think we can have a really good year at the middle position. We need to figure out how we can replace a very, very steady Janae Hall, who attacked at a high level and was a consistent blocker.

"We have to have some patience with this team because last year we were working with a team that played seven matches on a foreign trip -- that same lineup started in the fall. It was such a smooth transition into the fall. It will be difficult to match the

consistency we had early in the season last year. Our goal will be to be playing at the highest level at the end of the season."

### On setters:

"Ainise (Havili) has a competitive motor that sets her apart from the crowd. She is not afraid to take a risk and force the ball to somebody. Halfway through her career she is already proven that she can play at the highest level there is. Maggie (Anderson) will come off the bench again as a very versatile serving specialist. She can come in and set, and do some other things for us that put us in a good position for success."

### On defensive specialists:

"Cassie (Wait) definitely anchors that group. Tori (Miller) and Addie (Barry) have some good experience now. The two newcomers (Allie Nelson and Jacqui Mostrom) create a good mix in that position. Cassie needs to have a great year, and we need a few of those young players to step up.

"Not many people talk about losing Anna Church, but she was solid and steady -- served, passed, and dug well in three rotations. As a whole we can't take for granted the little things that our departed players -- Anna, Janae, and Tiana Dockery -- did for us."

### On last season's unprecedented accomplishments:

"It feels really good, but on day one we will clean the slate off. If we reference it at all it will be from how hard the team had to work to arrive at the level they got to. I think it's good when you have a team that tasted that.

Hopefully that will motivate them to try to get in the best position to give themselves an opportunity to get back to that spot. We know how precious and how blessed we were to stay pretty healthy and stay consistent in our efforts, and to develop a nice chemistry among our group."

### On the growth of Kansas Volleyball:

"We found something that worked last season, and I think it gave a lot of top-25 programs hope that if they work hard good things can happen. It gave our kids something to feel good about. Jayhawk fans all over the place were excited for how we represented our university. Now moving forward, we can't talk about how great that was. We are going to talk about how we can maintain our success."

### On the best moments of the 2015 season:

- "Even though we didn't beat Texas here in Lawrence, I thought that we really played high-level volleyball." *Kansas was edged by No. 5 Texas in five sets on Nov. 11 -- the only home loss for KU of the season.*
- "I thought our response after losing to Texas on the road, and beating a good Iowa State team on the road was big-time." *After starting the season 19-0, Kansas lost on the road at Texas (Oct. 23), but rebounded to defeat Iowa State (Oct. 28), an NCAA tournament team, in four sets.*
- "The comeback in set three against Missouri was a blast, especially since the win sent us to regionals on our home court." *Kansas swept Missouri (Dec. 4) in the second round of the NCAA Championship in Lawrence. KU was down 24-20 in the third set and went on a 7-1 rally to win the third set, 27-25.*
- "The Dogpile (after defeating No. 1 USC to advance to the NCAA Championship semifinals) would have to rank first."
- "For the team to experience playing in front of 17,000 fans (at the Final Four) in that environment -- for us to, not play our best, but compete hard and know that if it were more a neutral site that it would have been better."
- "We won 30 matches, and only one of those was in five sets. Twenty-nine wins were in four sets or less -- that's pretty dominant. On top of that, our only three losses were to the teams that played for a national title."

## UNDERSTANDING THE "RULES OF THE GAME"

With the continued success of Kansas Athletics, the Athletic Compliance Office wants you to understand how you can help KU coaches and student-athletes. Institutional control of athletics is a fundamental requirement of NCAA legislation. Specifically, the NCAA constitution provides that each institution shall be responsible for:

- Controlling its intercollegiate athletics program in compliance with the rules and regulations of the NCAA.
- Monitoring its program to ensure compliance with identifying and reporting to the NCAA instances in which compliance has not been achieved and taking appropriate corrective action.
- Ensuring that members of the institution's staff, student-athletes and other individuals or groups representing the institution's athletics interests comply with all applicable NCAA rules.

Under NCAA rules, KU is responsible for all actions of its boosters. Therefore, it is also our responsibility to make you aware of consequences for violating the rules pertaining to permissible booster activity. Boosters found in violation are subject to losing benefits and privileges, including season tickets. In addition, the NCAA Committee on Infractions has required institutions to disassociate boosters who have violated NCAA rules and regulations from the institution.

## COMPLIANCE TERMINOLOGY

**BOOSTERS.** You are a representative of KU's athletics interests, more commonly known as a "booster," if you meet any of the following conditions:

- You are a member of any organization that promotes KU's athletics program (e.g., Williams Education Fund);
- You have made a financial contribution to the KU athletics department or its booster organization;
- You have assisted in the recruitment of prospective student-athletes for KU;
- You have provided benefits (e.g., summer jobs or occasional family meals) to enrolled student-athletes;
- You are the parent(s) or legal guardian(s) of an enrolled student-athlete; or
- You have, in any way, promoted the athletics program at KU.

Remember: Once an individual has been identified as a booster, he or she retains this identity indefinitely. Even if you are not a booster as defined by the NCAA, know that your actions involving student-athletes can cause violations of NCAA rules. Something as simple as buying a student-athlete lunch at a fast food restaurant is, most likely, a NCAA violation. Please contact the Athletic Compliance Office with your questions regarding impermissible recruiting inducements and extra benefits.

**PROSPECTS.** A prospective student-athlete, commonly known as a "prospect" or "recruit," is any individual who has started classes for the ninth grade.

a student who has not started classes for the ninth grade becomes a prospect if the institution contacts the student for recruiting purposes or provides the student (or the student's relatives or friends) any financial assistance or other benefits that the institution does not generally provide to all prospective students. In addition, student-athletes enrolled in preparatory schools or two-year colleges are considered prospective student-athletes.

Remember: A prospect remains a prospect even after he or she signs a National Letter of Intent or Financial Aid Agreement to attend KU. The prospect does not lose this status until the start of classes at the university or until the beginning of official practice prior to the start of classes, whichever occurs first. After classes or official practice begins, the prospective student-athlete then simply becomes a student-athlete.

**CONTACT.** A "contact" is a face-to-face encounter between a prospect or the prospect's parent, relative or legal guardian and institutional staff member or athletics representative during which dialogue occurs in excess of an exchange of a greeting. However, any such face-to-face encounter on the KU campus or during a KU event that is prearranged, or takes place on the grounds of the prospect's educational institution or at the site of an organized competition or practice involving the prospect or the prospect's high school, preparatory school, two-year college or all-star team, shall be considered a contact, regardless of the content of the conversation that occurs.

**TELEPHONE/ELECTRONIC CORRESPONDENCE CONTACT.** The restriction on contact extends to telephone and electronic correspondence. Any contact by you or any other booster, alumnus or other representative of athletics interest via these modes of communication is prohibited. Electronic correspondence includes, but not limited to, text messaging or any application that functions as a text message (i.e. snapchat), email, any social media methods (i.e. Facebook, Twitter), chat rooms and instant message. Telephone contact is any electronically-transmitted voice exchange including, but not limited to, calls and video conferencing such as Skype and Facetime.

**RECRUITING.** Any contact by you or any other booster, alumnus or other representative of Kansas Athletics' interests for the purpose of recruitment, is strictly and clearly prohibited.

It is not permissible for any member of Kansas Athletics' staff, alumnus or booster to contact a student-athlete at another institution for the purpose of recruitment. A student-athlete who is attending another institution must receive written permission from their institution before they can have contact with the University of Kansas.

If you know of a prospective student-athlete who may want to attend KU, we encourage you to call the appropriate coach. Contacting a KU coach is the only

permissible recruiting activity in which boosters may participate.

**EMPLOYMENT.** It is permissible for an athletics representative or alumnus/alumna to contact a prospect regarding summer employment prior to initial enrollment provided the prospect has signed a National Letter of Intent. However, no contact may be made without approval from the Athletic Compliance Office. In addition, the employment arrangement for the prospect may not begin until the prospect has graduated from high school. If the prospect is attending a two-year institution, the employment may not begin prior to the time that the prospect has officially withdrawn from or has completed the requirements for graduation at the two-year college.

**EXTRA BENEFITS.** It is not permissible to provide any type of assistance to a prospect — financial or otherwise. A representative of Kansas Athletics' interests or a "booster" may not provide ANYTHING to a prospect, their friends or family, even if the prospect has a signed National Letter of Intent or a Financial Aid Agreement.

**STUDENT-ATHLETE.** A student-athlete is any University of Kansas student who is a member of a varsity athletics team.

**EXTRA BENEFITS.** An extra benefit is any special arrangement by an institutional employee or booster to provide a student-athlete or his/her relatives or friends with a benefit not expressly authorized by the NCAA legislation. It is a violation of the NCAA rules to provide an extra benefit to a student-athlete.

**OCCASIONAL MEAL.** You may provide a student-athlete or a team with an occasional meal at your home. This meal can be catered and you may provide the student-athletes with transportation to attend the meal. All occasional meals must be pre-approved by the Athletic Compliance Office.

Together, the University of Kansas and YOU will make this program a success. These reminders will help guide you and ensure that Kansas Athletics operates within the rules and regulations of the NCAA as we continue toward our ultimate goal of academic and athletics excellence. If in doubt, remember that in most cases any contact with or benefits given to a prospect or an enrolled student-athlete or their family or friends is strictly prohibited.

## 1. THE NICKNAME: JAYHAWK

The University of Kansas is the home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas. The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter.

## 2. THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

## 3. CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southwest of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

## 4. THE K RING

The K Ring symbolizes a uniquely shared experience between generations of varsity letter winners at the University of Kansas. As a Jayhawk you are expected to uphold tradition and retain the characteristics of a champion while continuing the create your own legacy.

## 5. WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans "wave the wheat" when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

## 6. THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. On May 21, 1886, Bailey submitted the cheer to his club.

"GIVE THE WORLD THE BEST YOU'VE GOT AND THE BEST WILL COME BACK TO YOU."

Ray Bechard will enter his 19th year as the head coach of the Kansas volleyball team in 2016, continuing the steady transition of guiding his program from successful to significant. In 2016, Bechard and the Jayhawks will look to build upon an unprecedented 2015 season which was highlighted by the program's first appearance in the NCAA Championship semifinals and a final ranking of No. 4.

Bechard guided the 2015 Jayhawks to set program records in hitting percentage and kills per set while advancing to the sport's biggest stage in Omaha, Nebraska, by defeating No. 1 seed USC in the regional finals. The Jayhawks tore through the nonconference schedule with a 19-0 start and ended the season with a 30-3 record with the only three losses to the teams that played for the national title – Texas and Nebraska.

Along the way, Bechard earned Big 12 Coach of the Year for the third time in the last four seasons and was named national coach of the year by PrepVolleyball.com and Hero Sports. Bechard's associate head coach Laura "Bird" Kuhn was named the AVCA National Assistant Coach of the Year.

Kansas did not have a first-team All-American prior to 2015, but during last season's unprecedented run the Jayhawks had two. Bechard's potent 2015 offense was led by AVCA First Team All-American setter Ainise Havili and AVCA First Team All-American right-side hitter Kelsie Payne.

The winningest coach in Kansas volleyball history will begin the 2016 season after reaching 300 victories at Kansas in 2015 and collecting his 1,000th career win in 2014. Both milestones put him in elite company, with the latter putting him at

second among active Big 12 Conference coaches.

Since his arrival on the coaching scene 32 years ago, Bechard spent 13 seasons on the sidelines of Barton County Community College in Great Bend, Kansas, before taking over the reins at Kansas. At both stops, Bechard has compiled a remarkable all-time coaching record of 1,041-289 (.782 winning percentage).

In 18 seasons at Kansas, Bechard has led the Jayhawks to a 325-229 (.587) mark, including a 103-27 (.792) record since 2012. In all, the veteran has coached 30 All-Big 12 selections, seven All-Americans, eight AVCA Team Academic awards and 105 Academic All-Big 12 honorees.

Additionally, Bechard has built a solid fan base for Kansas volleyball as the Jayhawks have consistently finished among the nation's top-30 attendance leaders the last four years. In 2012, more than 1,300 fans attended each home match on average, to rank 29th in the NCAA in attendance. When KU hosted the NCAA First and Second Rounds in 2012 in Allen Fieldhouse, the Lawrence, Kansas, host site drew more fans in the two-day event than any other national host (8,029). Last fall, KU doubled its home sell-out record – filling Horejsi Family Athletics Center 14 times in 16 home matches – as one of only a handful of programs that averaged a 100-percent arena capacity all season.

All seven NCAA Championship appearances occurred in the Bechard era and every postseason trip breaks new ground. In 2015, the Jayhawks earned their fourth-consecutive national seed (No. 9) in the NCAA Championship to earn the right to host the first and second rounds for the fourth-consecutive season and first time at Horejsi.

Not only did the 2014 season play witness to Bechard's 1,000th career victory, but Kansas continued its tear through the Big 12 standings. KU overcame an 0-3 start in league play to storm back and finish the year tied for second in the conference. Prior to 2013, Kansas had never finished as high as second place. Now, the Jayhawks have done so

two years in a row.

Bechard and his staff brought in the 15th-ranked recruiting class in 2014 to compensate for the seven seniors lost in 2013. In the class included Big 12 Preseason Player of the Year and Women's Junior National Team member Ainise Havili. The setter was no joke, breaking the KU freshman assists record, simultaneously leading the league. She and Kelsie Payne, who averaged more than a block per set and hit .341, were awarded Big 12 All-Freshman Team honors. Havili also became KU's first freshman to earn AVCA All-America Honorable Mention honors.

At the conclusion of the season, Bechard said goodbye to a pair of two-time All-Big 12 First Team seniors in Chelsea Albers and Sara McClinton. Together, the duo garnered four winning seasons and 88 victories – the most by a KU senior class. While McClinton ended her career with the sixth-most kills in KU history, Albers earned AVCA All-America Honorable Mention recognition.

After starting the year ranked on the preseason poll, the Jayhawks were ranked or receiving votes 10 times in 2014. Against the sixth-toughest schedule in the NCAA, Kansas squared off against perennial powerhouse Penn State for the first time in program history and defeated Sweet 16

American University in the same tournament. They swept Kansas State in Manhattan for the second-straight year. Once again, KU matches aired on Time Warner Cable SportsChannel, ESPNU and Fox Sports. Bringing volleyball into the national spotlight is a major source of pride for the Jayhawk veteran.

Following a special 2012 season that saw KU break the winningest season record with a .788 winning percentage (26-7) and finish the last half of the year ranked in the top 25, Bechard immediately instilled his "successful to significant" philosophy. The mindset spread quickly throughout the team – and has caught on through 2013, 2014 and beyond.

By 2013 season's end, Bechard and the Jayhawks achieved their highest Big 12 finish in league history (2nd, 12-4), broke the school's hitting percentage record (.254), swept in-state rivals Kansas State for the second-consecutive season and saw four different players reach All-America status. Senior middle blocker Caroline Jarmoc, the program's first All-America selection in 2012, earned the honor for a second-straight season in 2013 from the AVCA. Alongside her were teammates Erin McNorton, Albers and McClinton, each of whom earned All-America Honorable Mention recognition.

Known for primarily working with the setters, Bechard was rewarded indirectly when McNorton transformed from a walk-on into the Big 12 Setter of the Year in 2013. A true leader, Bechard was happier for McNorton's accolade than his own when he was named the Big 12 Coach of the Year and the AVCA Midwest Region Coach of the Year for the second time in as many years to conclude the 2013 regular season.

Ranked No. 20 on the early poll, the Jayhawks entered the 2013 season with nine of their first 10 matches on the road. The loaded slate included home-and-home matches against defending national champion Texas and three other Big 12 teams that reached the NCAA's in Iowa State, Kansas State and Oklahoma. In addition, the Jayhawks squared off against Notre Dame, Arkansas twice, Creighton, Central Arkansas and Bowling Green, all of whom played in the 2012 NCAA Tournament.

Kansas ran with it, racking up a 10-4 record away from home, including true road victories against Arizona (RPI: 20), Iowa State (RPI: 21), Arkansas (RPI: 40) and a comeback win at National Runner-Up Wisconsin (RPI: 15). Aside from attack percentage, the Jayhawks also broke the program record for block assists in a single season (522) and tallied the fourth-most kills (1,801) and second-most assists (1,694) in program history. The Jayhawks led the Big 12 in assists (13.55) and kills (14.41) per set, which ranked 12th and 15th in the NCAA, respectively.

After falling to No. 3 overall-seeded Washington in the Sweet 16, KU ended the 2013 season ranked No. 17, tying the highest ranking in program history. Kansas also finished at No. 12 in the final RPI, making it a solid two years since the Jayhawks have been outside the NCAA's top-20 in the RPI.

In 2012, the Jayhawks collected the most home victories in a season (17), along with the program's longest home win streak (13), while compiling a third-place finish in the Big 12 Conference (12-4). KU also earned the team's highest-ever national ranking, checking in at No. 17 on the AVCA Division I Coaches poll (10/22/12). The Jayhawks remained on the top-25 poll for the remaining eight weeks of the season and checked in at No. 25 on the final poll.

When the NCAA released its first RPI projections of the 2012 season, KU debuted at No. 9 and would later climb to a program-best No. 6 RPI ranking on Nov. 19, 2012. The Jayhawks were in the top-10 RPI for seven of nine weeks and ended the season at No. 9 in the final projections of the season.

Also in 2012, Bechard guided Jarmoc to Second-Team All-America honors, the first All-American in Kansas volleyball history. Among many accolades from that season was senior middle blocker Tayler Tolefree winning the inaugural Big 12 Volleyball Scholar-Athlete of the Year award.

Prior to the 2012 season, Bechard completed his second stint with Team USA Volleyball. Bechard was one of eight collegiate coaches selected by USA Volleyball to lead the U.S. Women's National A2 Team Program at Ohio Dominican University in Columbus, Ohio, June 26-July 5, 2012.

In 2011, the Jayhawks posted their best start at 11-1 since the 2002 season, including three pre-conference tournament titles and knocking off No. 6 Minnesota, the highest-ranked opponent defeated in program history. Of the Jayhawks' all-time wins against top-25 foes, all but one came under Bechard's direction. Jarmoc and Tolefree each checked in at top-five in the Big 12 in individual blocks per set. Bechard also witnessed Allison Mayfield lead the conference in kills per set

on her way to becoming KU's all-time leader for kills in a season (462, 2011). The Jayhawks spent three-straight weeks receiving votes on the AVCA Top-25 Poll in 2011.

Bechard led the Jayhawks to a 15-15 overall record in 2005 and their third-straight postseason appearance. Despite a depleted roster due to injuries, KU battled No. 16 UCLA to four games in Los Angeles in the NCAA Tournament First Round. The 2005 season also saw the careers of three talented seniors, Josi Lima, Paula Caten and Andi Rozum, come to a close. Caten became KU's first Academic All-American in volleyball, while Lima, KU's only four-time All-Big 12 First Team selection, finished her career as the Jayhawks' all-time kills leader and one of the most prolific volleyball players in school history. Rozum's name still sits at the top of the career assists list. In addition to his team's achievements and the individual successes of his seniors, Bechard reached a significant milestone on Sept. 10, 2005, when he coached his 1,000th career match. The Jayhawks commemorated the milestone by defeating visiting Michigan State, 3-0.

The 2003 season became another celebrated year as KU achieved the most victories since 1991 (22) and the fourth most in program history at the time, the most conference wins in school history (13) and the highest finish in the conference race (tied for third) since joining the Big 12 in 1996. The greatest highlight of the 2003 season came when Bechard and the Jayhawks were invited to participate in the NCAA Tournament for the first time in program history. KU shocked powerhouse Long Beach State by sweeping the 49ers 3-0 in First Round action before falling to host No. 4 Pepperdine 3-1 in the NCAA Second Round in Malibu, California.

Katie Martinich was named the Big 12 Sports person of the Year for the 2007-08 academic year and Jennifer Kraft (1999-2002) earned the Big 12

Defensive Specialist award in 2002, while Ashley Michaels (2001-04) was an All-Big 12 Honorable Mention selection for two-straight years. Jill Dorsey, a 2004 graduate, led the Big 12 in her senior season with 4.64 digs per game and left KU as the all-time career digs leader (1,338), a record that has since been broken by KU alum Brianne Riley. Michaels concluded her KU career as the program's leader in attack percentage (.317) and finished second behind Reves in block assists (324) and blocks per game (1.03).

Bechard came to KU after spending 13 years as the head coach at Barton County Community College in Great Bend, Kansas. After a stellar coaching career at BCCC, Bechard was inducted into the National Junior College Athletic Association Volleyball Hall of Fame in 1998. In 13 seasons at Barton County, Bechard posted a career record of 716-60 (.923 winning percentage) and coached 23 Academic All-Americans. He completed his career at BCCC with the highest all-time winning percentage among junior college/community college coaches and ranked fourth all-time with 716 career wins. Twice (1990 and 1993) Bechard was named the AVCA National Junior College Coach of the Year, and he was selected the AVCA District IV Coach of the Year 12 times.

In 1995, he was an assistant coach for the USA Volleyball Youth National Team which won the Slovakian Cup Championship in Zilina, Slovakia. Bechard, who was the only non-Division I coach on the staff, coached alongside TCU's Sandy Trudt and Penn State assistant Erin Tomblin. The team competed against youth teams from Poland and Slovakia.

Bechard began his coaching career when he served three years (1980-83) as head coach of the girls' volleyball team and the boys' basketball team at Lewis High School in Lewis, Kansas. The first sign of his coaching talent was evident as he directed LHS to a pair of conference titles on the volleyball court.

A member of the American Volleyball Coaches Association, Bechard served as president of the organization in 2010. He was also a member of the board of directors of the AVCA from 1992-98 and has presented at the AVCA National Convention on two different occasions. Bechard was also president of the NJCAA Volleyball Coaches Association from 1989-92.

A native of Grinnell, Kansas, Bechard played basketball at Barton County, where he helped the Cougars to a 45-13 record in his two seasons. Following his junior college playing career, Bechard attended Fort Hays State University where he graduated with a bachelor's degree in physical education in 1980. Two years later, he received his master's degree in physical education from FHSU.

Bechard is married to the former Pamela Brown. The couple has two children. Their daughter, Ashley, was a KU letterwinner in volleyball from 2001-04, and married Erik Henkelman in 2011. Erik and Ashley had a baby girl named Evelyn (Evie) in July 2014, the first grandchild for Ray and Pam. Their son, Brennan, who played on the Kansas men's basketball team from 2007-09, is now the men's basketball director of operations. The Bechard family expanded again when Brennan married Danielle Hayes in 2014.

2015 AVCA Assistant Coach of the Year Laura Kuhn, known affectionately as "Bird", will begin her sixth season at Kansas in 2016, and her second as the Jayhawks' associate head coach. The former Georgia Tech standout was named a volleyball assistant coach for the University of Kansas on March 22, 2011. She was promoted to associate head coach on Jan. 16, 2015.

Kuhn was named the AVCA National Assistant Coach of the Year after helping guide the Jayhawks to set program records in hitting percentage and kills per set while advancing to the sport's biggest stage at the NCAA Championship semifinals after defeating No. 1 seed USC in the regional finals.

Since Kuhn arrived at Kansas for the 2011 season, the Jayhawks have reached unprecedented marks. KU has won 118 matches in five seasons with her on staff, including 2015's program-record .938 winning percentage (30-3), spending the majority of the 2015 season in the top-10 of the AVCA Coaches Poll, hosting the NCAA

Championship First and Second Rounds four consecutive seasons, and advancing to the program's first NCAA Championship Semifinals.

She joined the coaching ranks following her playing career (2001-04) and arrived in Lawrence after spending three years as an assistant at Miami (2008-10). She has also made stops as an assistant coach at Appalachian State and Florida State.

Kuhn's impact is unquestionable. She helped head coach Ray Bechard to three Big 12 Coach of the Year awards in 2012, 2013 and 2015. Bechard, who also celebrated AVCA Region Coach of the Year honors in those same seasons, made it a point to thank Kuhn and fellow assistant Todd Chamberlain, giving his staff just as much credit for the prestigious accolades.

Kuhn also took part in coaching success with former bosses. Appalachian State head coach Matt Ginipro earned Southern Conference Coach of the Year honors in 2007, her only year with the Mountaineers. After her first season at Miami, Kuhn saw Hurricanes' head coach Nicole Lantagne-Welch earn 2008 ACC Coach of the Year and AVCA Region Coach of the Year honors.

As the Jayhawks' recruiting coordinator, Kuhn rarely has her phone off, working around the clock to get potential players excited about becoming Jayhawks. She led the charge of KU's 15th-ranked recruiting class of 2014, which included high-profile Texas recruits Kelsie Payne, Madison Rigdon and Ainise Havili. One of two setters on the USA Women's Junior National Team, Havili earned postseason accolades on the Big 12 All-Freshman Team and the AVCA All-America Honorable Mention team.

It's not possible to list Kuhn's strengths without mentioning her integral role in the Jayhawks' training. She works primarily with the middle blockers, and her effect is easy to see. The Jayhawks have watched their blocking numbers soar to the top-tier of the Big 12 in each of her seasons at KU. In 2012, the Jayhawks racked up 2.62 blocks per set, good for second in the conference and 31st in the NCAA. Also in 2012, the Jayhawks recorded 492

block assists, the most by a KU team since 1996. A year later, in 2013, the Jayhawks broke the school single-season record with 522 block assists.

During her four years playing at Georgia Tech, the Yellow Jackets won three ACC regular season championships, one ACC tournament title and advanced to the NCAA Tournament in each of her four seasons. The teams advanced to the Sweet 16 in 2002 and 2004, and charged their way to the Elite Eight in 2003. Kuhn played the right side position her final three years at Georgia Tech, starting all three seasons.

A native of Tiffin, Ohio, Kuhn was a two-sport star at Calvert High School, where she excelled at both volleyball and basketball. While in high school, Kuhn earned Junior Olympic All-America honors for the Toledo Volleyball Club in 2000. Kuhn earned a Bachelor of Science degree in business management from Georgia Tech in 2005.

Todd Chamberlain will enter his sixth year as an assistant coach at Kansas in 2016. At KU, Chamberlain works primarily with the Jayhawks' outside and right-side hitters, but is a major component to the team's overall training. He serves as the team's video coordinator, camp director and compliance liaison, while assisting with recruitment.

In three of Chamberlain's five seasons, he has helped head coach Ray Bechard earn the Big 12 Coach of the Year award (2012, 2013, 2015) and helped associate head coach Laura Kuhn earn AVCA National Assistant of the Year (2015).

The Kansas offense has progressed in each of Chamberlain's years with the program – but none more so than 2015 when the team broke two program records with a .299 attack percentage and 15.1 kills per set.

In his role with the hitters, Chamberlain has guided one of the program's brightest stars – Kelsie Payne. Chamberlain helped transition Payne from a middle blocker in 2014 to a right-side hitter in 2015, which yielded unprecedented success as she went on to

become the program's first AVCA First Team All-American, with teammate setter Ainise Havili, and set KU's record for kills in a season (496).

Chamberlain also guided Sara McClinton and Chelsea Albers into two of the most lethal attackers of their era in the Big 12. The duo became the first hitters in KU history to reach All-America status with AVCA honorable mention recognition in 2013. Both were named to the All-Big 12 First Team, the second-straight season for McClinton and the first time for Albers.

Chamberlain arrived at Kansas following a one-year stint as the volunteer assistant women's volleyball coach at the University of Kentucky in 2009, during which the Wildcats experienced one of the most successful seasons in program history. Kentucky finished 29-5 overall, appeared in the NCAA Tournament for the fifth-consecutive year and advanced to the Sweet 16 for the first time since 1992. While at UK, three players earned All-America honors, including honorable mention outside hitter Sarah Mendoza. Mendoza finished the season as the Southeastern Conference leader with 4.12 kills per set.

Chamberlain played volleyball for four seasons at Ball State University, where he earned first-team All-Midwestern Intercollegiate Volleyball Association (MIVA) honors as a senior after pacing the squad with 3.29 kills per set. Ball State was nationally ranked for portions of all four of Chamberlain's seasons; the Cardinals compiled a 78-39 (.667) record during those years.

He has served as a camp counselor for camps at Kentucky, Purdue and his alma mater. Additionally, Chamberlain has instructed at elite camps hosted by Saint Louis and the Kentucky-Indiana Volleyball Association (KIVA).

Chamberlain, a native of Louisville, Kentucky, graduated in 2009 from Ball State with a bachelor's degree in communications. He began his volleyball career as a star athlete at Louisville's Trinity High School.

Since arriving at the University of Kansas in 2009, Bernadette Gary-Little has advanced KU's mission of lifting students and society by educating leaders, building healthy communities and making discoveries that change the world.

Through the Bold Aspirations strategic plan, KU is changing the way it prepares students for success. It's fostering research and scholarship across all disciplines, and sharing the benefits of a flagship university with the state and world.

Gray-Little led the effort to create new admission standards for the University of Kansas. These new standards go into effect

for freshmen entering KU in the fall of 2016 and will give students and families a more-accurate picture of what it takes to be successful at a research university.

Under Chancellor Gray-Little's leadership, the university has also revamped financial aid, creating four-year renewable scholarships and expanding the Jayhawk Generations Scholarship. And it has launched its first university-wide curriculum, the KU Core, which incorporates both classes and experiences, making KU a leader among its national peers.

Gray-Little has also been instrumental to Far Above: The Campaign for Kansas, KU Endowment's \$1.2 billion comprehensive fundraising campaign. Additionally, the university's Changing for Excellence initiative is making administrative operations more efficient, with the savings being invested in education and research.

As chancellor, Gray-Little is the chief executive officer of the university, overseeing campuses in Lawrence, Kansas City, Overland Park, Salina and Wichita, as well as research and educational centers in Garden City, Hays, Parsons, Pittsburg, Topeka and Yoder.

Gray-Little serves on the Board of Directors for the Association of Public and Land-grant Universities, and will conclude a term as chair of that board this year. She is a member of the Council on Foreign Relations, and begins a five-year service on the National Institutes of Health Advisory Committee for the Director in 2017.

Prior to becoming KU's 17th Chancellor, Gray-Little held leadership positions at the University of North Carolina-Chapel Hill, including executive vice chancellor and provost.

Dr. Sheahon (SHAY-un) Zenger's genuine care for coaches and student-athletes has hallmarked his career in intercollegiate athletics.

That care, which he has exhibited since his arrival as Athletics Director in January 2011, has helped KU's coaches and student-athletes achieve outstanding performances on both the conference and national stages. Highlights include:

- A National Championship for the Women's Outdoor Track & Field team, and seven individual national championships.
- NCAA Final Four and Elite Eight appearances for Men's Basketball and six Big 12 Conference regular-season

championships, raising that streak of titles to 12.

- Four straight NCAA Championship appearances, including two regional appearances and a semifinalist finish in 2015 for Volleyball.
- Two NCAA Sweet 16 appearances for Women's Basketball.
- NCAA Tournament appearances for Softball (twice), Baseball, Soccer, Men's and Women's Golf, and Tennis.
- Four National Coach-of-the-Year awards – Stanley Redwine, women's track and field; Bill Self, men's basketball; Ray Bechard, volleyball, and Laura Kuhn (assistant coach), volleyball – and several Big 12 Conference Coach-of-the-Year awards – Self (three times), Redwine (three times), Bechard (three times), and Clark Campbell, swimming (twice). In addition, third-year tennis coach Todd Chapman was named 2016 Coach of the Year for the Central Region after leading the Jayhawks to their first NCAA Tournament appearance in 17 years.

During 2015-16, 12 KU teams were represented in NCAA postseason competition, the most-ever KU appearances in one year.

Zenger has spearheaded some \$80 million in new Kansas Athletics facilities as well – improvements he expects will help KU's coaches and student-athletes continue their run of outstanding performances. Notable among these is the completion of the DeBruce Center, the new permanent home of James Naismith's original "Rules of Basket Ball." In addition, a \$2 million renovation of the football locker room is now underway. The track surrounding the football field was removed in summer 2014, replaced with new artificial turf, bringing the turf to within 10 feet of the stands. A \$1 million renovation of the Jayhawks' Sports Medicine Facility has provided modernized rehabilitation, an x-ray room and treatment areas. Fall 2015 saw the opening of McCarthy Hall, which houses the men's basketball team and an equal number of distinguished non-student-athletes. The beautiful new, nationally acclaimed Rock Chalk Park, home to KU soccer, softball, and track and field, has already hosted its first NCAA meet, and more are on the horizon. And the soon-to-be-completed Jayhawk Tennis Center, an

indoor-outdoor complex at Rock Chalk Park, will house the KU tennis team.

Stressing a culture of competitiveness and citizenship, Zenger has instituted KU Leads, a student-athlete development program dedicated to fostering committed leaders and supporting career development.

Zenger came to KU after serving for five years as athletics director at Illinois State University, helping steer ISU Athletics to a place of prominence in the Missouri Valley Conference. ISU reached new heights in fundraising, academics and community service during Zenger's tenure there.

Zenger's career took several turns before landing in athletics administration. He coached football at Drake University right after graduation; he then joined Bill Snyder's staff at Kansas State, serving in key roles as assistant recruiting coordinator and director of football operations. He also coached at South Florida and Wyoming.

Zenger earned two degrees from Kansas State before coming to KU to earn his Ph.D. in educational policy and leadership, strengthening his understanding of university leadership at the highest levels. He served as KSU's associate athletics director for development before becoming Athletics Director at Illinois State in 2005.

Zenger recently chaired KU's Diversity, Equity and Inclusion Advisory Group, and also serves on the university's Brand Leadership Committee. He served for three years on the NCAA Division I Committee on Student-Athlete Reinstatement and on two NCAA Division I Football Championship Subdivision (FCS) Division committees. He was also a member of the Executive Committee of NACDA's Division I FCS Athletic Directors Association. He is married to the former Pam McAnarney; they have three children: Luke, Abby and Jake.
